PBB APPL. Nr.:

I hereby declare the following:

- I am aware of the fact that post-mortem primate material may contain highly infectious agents and have potential risk of diseases that are highly communicable to humans or other animals. All such material should be treated as being a risk for such transmission and handled carefully. I understand that the Primate Brain Bank does accept and provide (sometimes unknowingly) specimens from animals, which are infected with diseases, such as Herpes B, and STLV.
- I will make sure that all the samples provided by the Primate Brain Bank are handled only using proper and safe handling procedures.
- I will destroy all waste material, and material no longer needed after use, immediately and using the proper channels for disposing of biohazard material. This applies unless an agreement was reached with the Primate Brain Bank to return the material after use.
- I guarantee the use of the specimens supplied by the Primate Brain Bank only for the research project specified in the application form. No tissue will be passed to other groups or persons, or be used for purposes other than mentioned in this application.
- I will acknowledge the Primate Brain Bank in all publications resulting from research performed on specimens obtained from the Primate Brain Bank, in the following manner: "Brain tissue was obtained from the Primate Brain Bank, Netherlands Institute for Neuroscience, KNAW, the Netherlands."
- I will provide the Primate Brain Bank with a summary of the results obtained by using the material supplied by the Primate Brain Bank. I will also provide the Primate Brain Bank with reprints of any publications, including abstracts, in which material supplied by the Primate Brain Bank was used.
- I agree with publication, by the Primate Brain Bank of the following:
 - The title of the project, its authors and their affiliations, and the supplied material, upon approval of this application.
 - A summary of the results upon publication of the study.
- I will pay the shipping costs of the material.
- I agree to pay a financial contribution to the Primate Brain Bank the amount of which is set by the Primate Brain Bank, based on the number and size of samples requested in this application, with a minimum of €200.
- I understand that the Primate Brain Bank does not guarantee the quality of the provided tissue, or its usefulness for any specific research project.
- I understand that the Primate Brain Bank does not accept any responsibility for any consequences of the use of the material supplied by the Primate Brain Bank.
